Dear Mr. Wachter

REQUEST FOR TRADING HALT

ComTel Corporation Limited (ASX: CMO) requests an immediate trading halt over the Company's securities pending the release of an announcement to the market.

The Company is aware that stockbroker Opes Prime Group Limited has been placed into receivership by the ANZ bank. A Director of the Company and other shareholders have advised the Company that a portion of their shareholdings are subject to an equity finance contract with Opes Prime Stockbroking Limited.

The trading halt is requested until the Company has clarified the shareholder's positions and the Company can properly inform the market. Whilst the full extent of the shareholders affected is still being examined, the Company's preliminary estimates are that approximately 10 million shares are affected. This represents 7.5% of the total fully paid shares on issue.

The Directors are not aware of any reason why a trading halt should not be granted.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'C. Nicholas'.

Campbell Nicholas

Company Secretary
