**DIRECTIONS**

(1) If there are a number of substantial holders with similar or related relevant interests (eg a corporation and its related corporations, or the manager and trustee of an equity trust), the names could be included in an annexure to the form. If the relevant interests of a group of persons are essentially similar, they may be referred to throughout the form as a specifically named group if the membership of each group, with the names and addresses of members is clearly set out in paragraph 4 of the form.

(2) See the definition of "relevant interest" in sections 608 and 671B(7) of the Corporations Law.

(3) See the definition of "associate" in section 9 of the Corporations Law.

(4) Include details of:

- (a) any relevant agreement or other circumstances because of which the change in relevant interest occurred. - (b) any qualification of the power of a person to exercise, control the exercise of, or influence the exercise of, the voting powers or disposal of the securities to which the relevant interest relates (indicating clearly the particular securities to which the qualification applies).

See the definition of "relevant agreement" in section 9 of the Corporations Law.

(5) Details of the consideration must include any and all benefits, money and other, that any person from whom a relevant interest was acquired has, or may, become entitled to receive in relation to that acquisition. Details must be included even if the benefit is conditional on the happening or not of a contingency. ## Annexure "B"

This is the Annexure of 2 pages marked "B" referred to in the form 605 Notice of ceasing to be a substantial holder

Signed by me and dated 20 October 2008

.....  
**Simon Pordage - Deputy Company Secretary**

**Australia and New Zealand Banking Group Limited**

Note A: ANZ has acquired relevant interests in the securities referred to in the adjacent columns. The consideration referred to in the adjacent column represents the cash collateral provided by ANZ in connection with the 'borrowing' of the securities by ANZ under an Australian Master Securities Lending Agreement. The cash collateral was determined by applying ANZ's loan to value ratio for the relevant class of securities to the value of the relevant parcel of securities, as determined in accordance with the agreement under which the securities were 'borrowed' by ANZ.

Note B: ANZ has acquired relevant interests in the securities referred to in the adjacent columns. No consideration was provided by ANZ that was directly referable to the securities. This may be due to one of a number of reasons including but not limited to, the following: the securities were provided to ANZ in response to a margin call against the counterparty to an Australian Master Securities Lending Agreement; the securities were provided to ANZ to be loaned out by ANZ pursuant to its securities lending program on behalf of the beneficial holder of the securities; the securities were received by ANZ as a result of a corporate action such as a bonus issue.

Note C: ANZ has ceased to have relevant interests in the securities referred to in the adjacent columns. No consideration was provided to ANZ that was directly referable to the securities. This may be due to one of a number of reasons including but not limited to, the following: the securities were returned by ANZ to the counterparty to an Australian Master Securities Lending Agreement as a result of the value of the securities loaned to ANZ by the counterparty exceeding the collateral provided by ANZ to the counterparty; the securities were returned to a client of ANZ (or a client for whom ANZ Nominees Limited originally held the securities as a bare trustee) who had previously made the securities available to ANZ to be loaned out by ANZ pursuant to its securities lending program on behalf of the client, and who had since withdrawn those securities from ANZ's securities lending program; or the securities were originally received by ANZ as a result of a corporate action (such as a bonus issue) in respect of securities acquired by ANZ pursuant to an Australian Master Securities Lending Agreement and were transferred to the counterparty in accordance with the terms of the agreement.

Note D: On-market purchase

Note E: On-market sale

Note F: ANZ has acquired relevant interests in the securities referred to in the adjacent columns. ANZ received the securities as collateral in substitution for cash collateral previously provided to ANZ in connection with the 'lending' of other securities by ANZ to a counterparty under an Australian Master Securities Lending Agreement. The consideration referred to in the adjacent column represents the cash collateral replaced by the securities.
